

*“This local landmark is in need of a facelift after 40 years and unfortunately this can’t be done with it open. I’m delighted that Highways England have worked with local people on the new design for the canopy and I look forward to seeing it in place.”*

**Councillor Roger Jones, lead member for transport, Salford City Council**

*Artist’s impression of the transformed bridge*

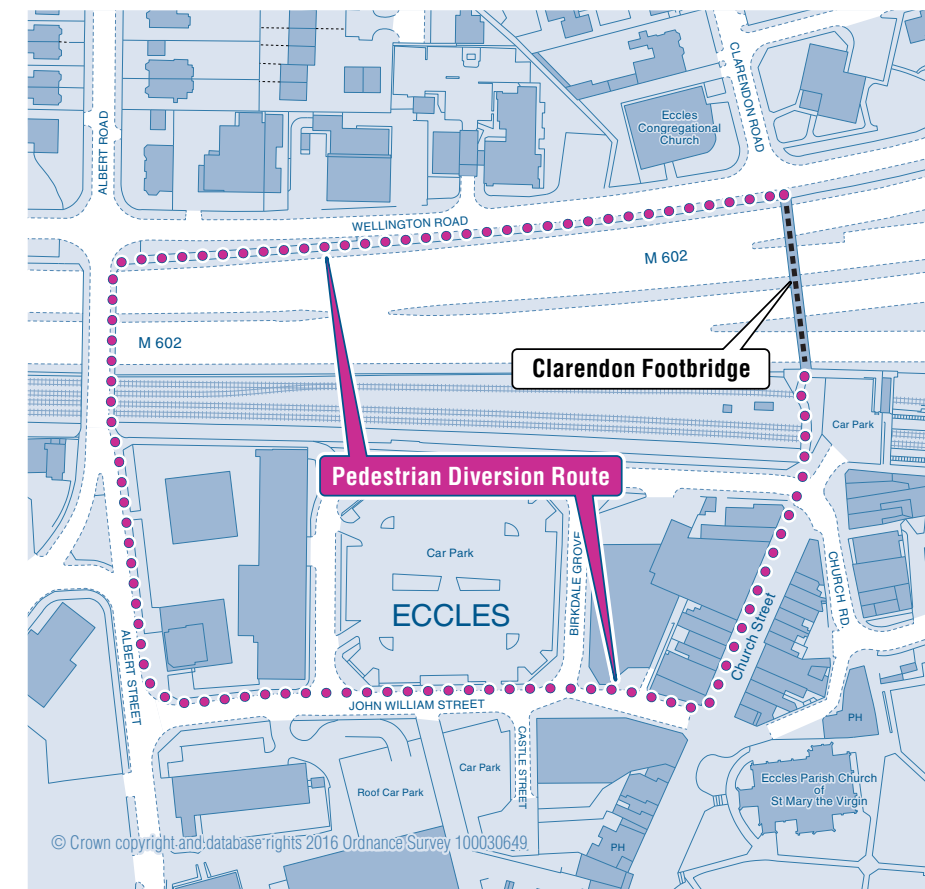

### Diversion route

The footbridge will be closed while the work to improve the footbridge takes place. The map below shows the recommended diversion route for pedestrians.

Clarendon Footbridge was constructed over 40 years ago and its condition has worsened over this time. Additionally the local community have raised concerns about the safety and appearance of the bridge.

Along with our contractor, Balfour Beatty Mott MacDonald, we have listened to your views and following the public consultation in November 2015, we’re happy to announce that the transformation of Clarendon Footbridge is imminent. We aim to start work in August and it’ll take around 12 weeks to complete.

## Contact us

If you have any questions about this scheme, please call our contractor's Customer Care Team on **0203 462 1902** (Mon to Fri 08:30 – 16:30) or email **customercare.area10@bbmmjv.com**.

Outside these hours, please contact our Highways England 24 hour Customer Contact Centre on **0300 123 5000**
