Delivered for you by:

THE GREAT NORTH RAIL PROJECT

What's happening?

Manchester Victoria station will be closed to trains over the Easter weekend **30 March - 2 April 2018** so that Network Rail can prepare a section of the railway for electric trains.

As part of the **Great North Rail Project** work will take place around platforms five and six and will involve lowering and realigning existing track under Cheetham Hill road bridge. This will result in no trains being able to access or depart the station. Bus replacement services will be in operation.

The station building will remain open and Metrolink services will be running as normal from the station.

Normal services will resume on **Tuesday 3 April 2018**.

We can't carry dogs or non-folding prams, pushchairs, bicycles or wheelchairs on the bus services. Bus pick up points are listed on the Useful Information Poster at the station entrance. Northern and Network Rail apologise for any inconvenience this will cause.

Whilst every care has been taken to ensure the accuracy of the information contained in this timetable, we can accept no liability for any inaccuracies, and reserve the right to change information without further notice. Visit our website for the most up to date timetables and check before you travel.
